

Stile & Rail

Stainless Doors strives to manufacture the highest quality custom doors for your most demanding applications. Our engineers have developed a true stile & rail door from stainless steel. Our narrow stiles are 3" wide and rails (3" minimum up to 10") give you more options to compete in the marketplace. With narrow stile & rail in stainless steel, we have created a storefront design that provides beauty and durability that is . . . "The Stainless Advantage."
